

# Whaller

Create your own free & unlimited  
PRIVATE SOCIAL NETWORKS

Whaller was founded in May 2013 : it is a subsidiary of Bolloré Group.

Whaller is a web platform which allows users to create their own private networks.

Whaller is a way to create digital communities, from large organizations to small ones, such as charities, corporations, or companies.

Whaller has more than 135 000 users and offers to your organization the opportunity of a collaborative intranet creation.

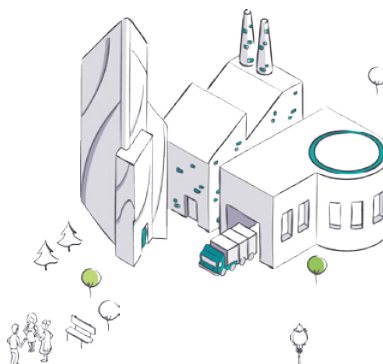

**The school network**  
To train in digital collaboration.

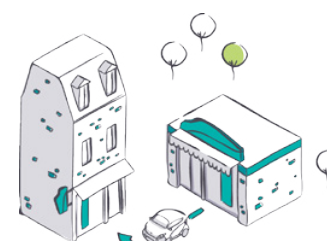

**The «incentive» network**  
To award loyalty and involvement.

**The Club**  
For private sharing, exclusively reserved for club members.

**The business social network**  
For optimum effective internal communication between your employees.

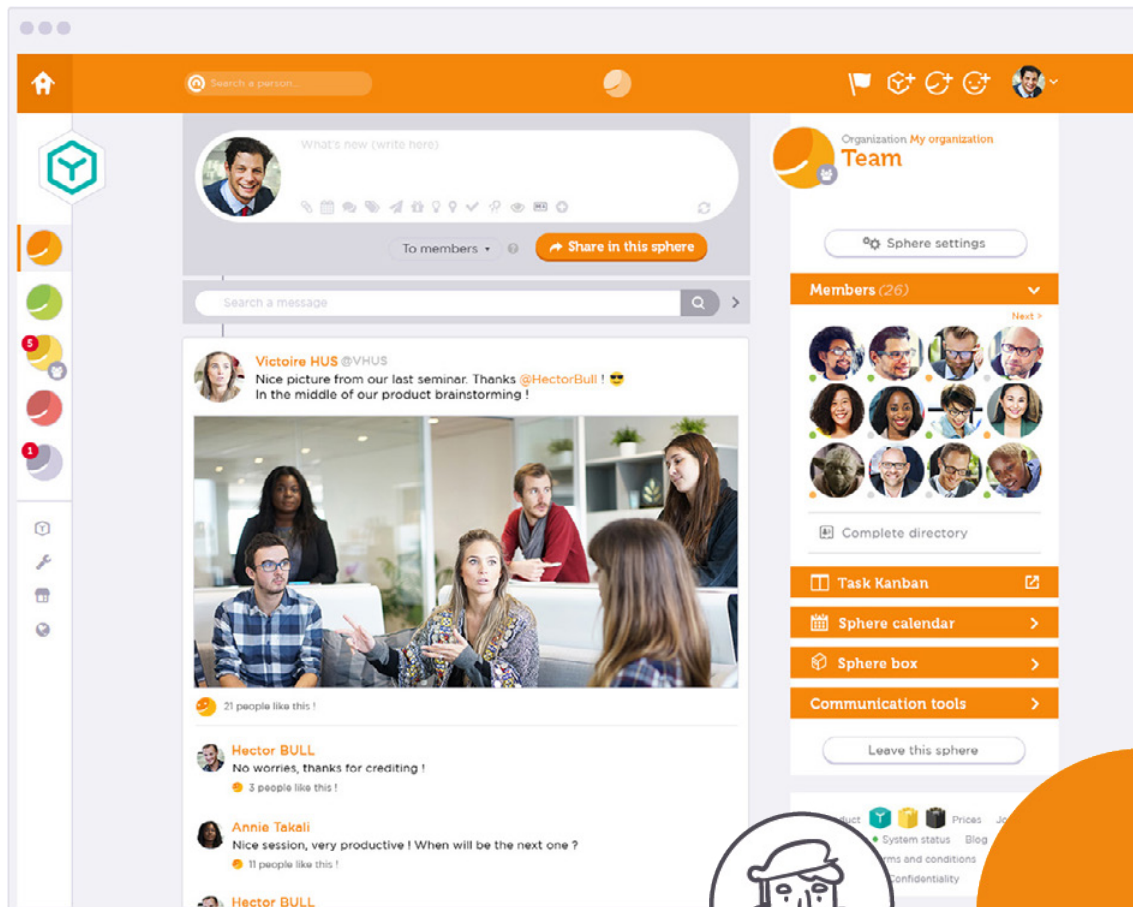

**The agency network**  
To unite your employees regardless of geographical distances.

**The associative network**  
To exchange on a collaborative network and unite your members.

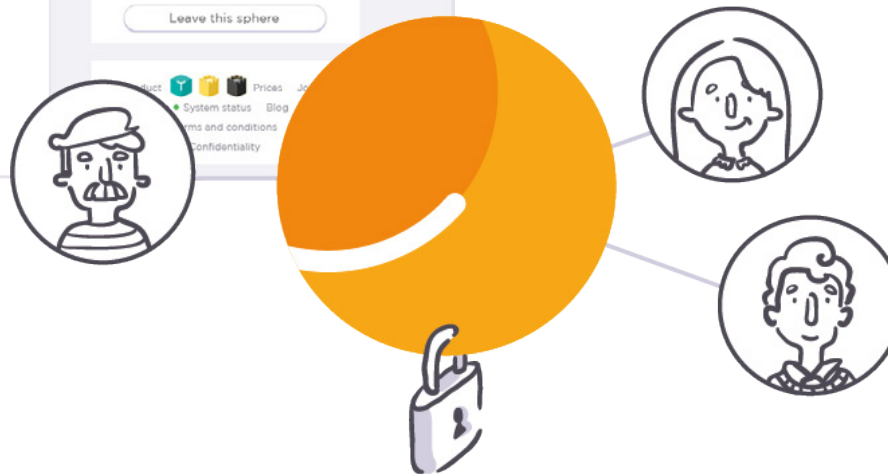

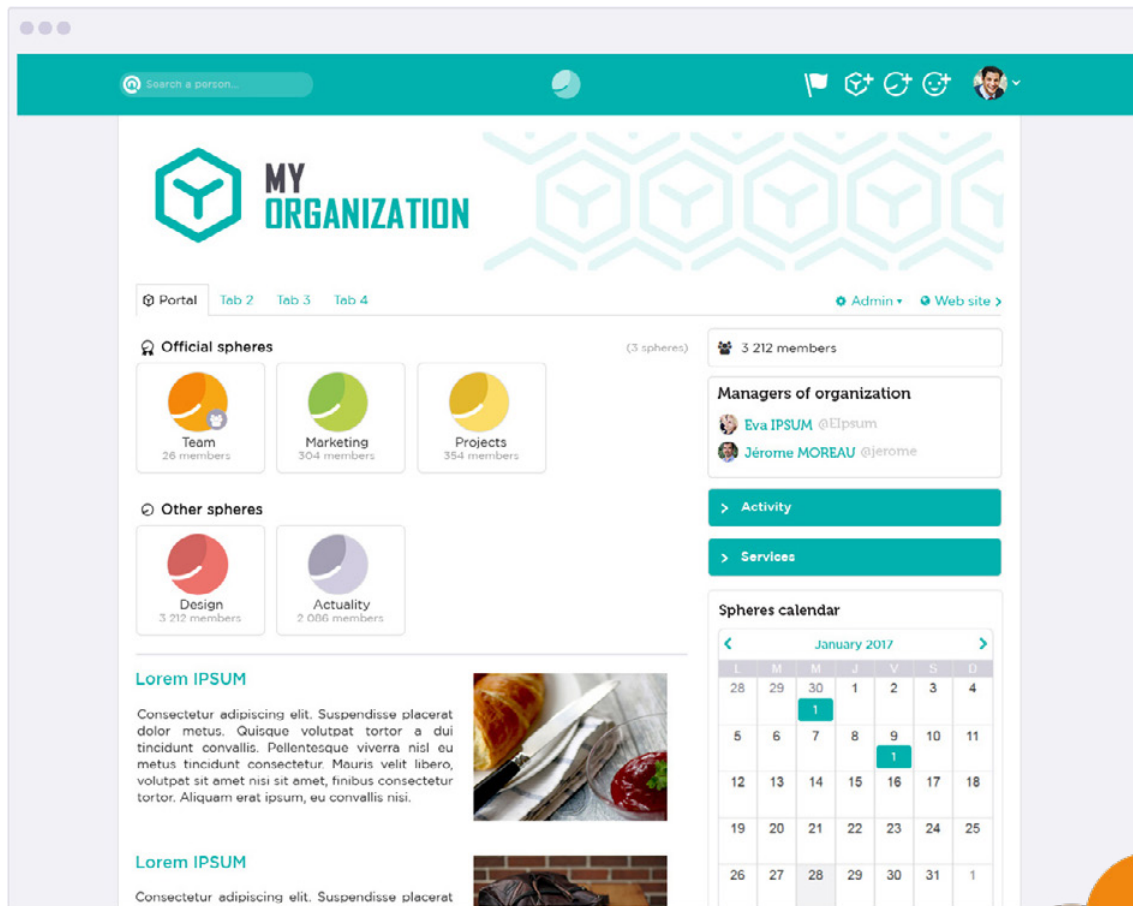

**Personal spheres**  
To simply exchange with your loved ones in sealed, separate spheres.

## SPHERES

Separate one from the other; spheres are private spaces for conversations. Share messages, images, documents, videos, surveys, events... Create one for your family, work team, project etc.

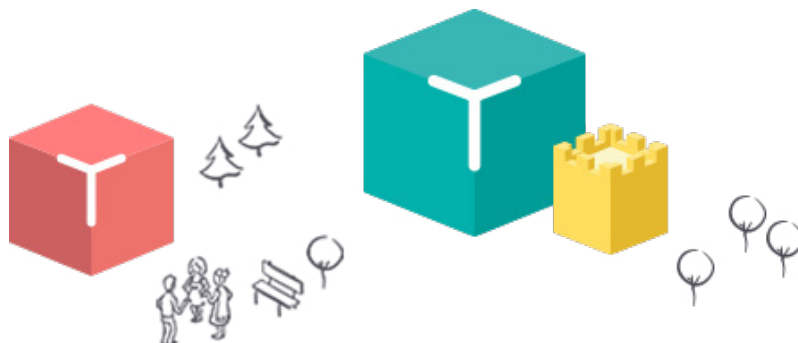

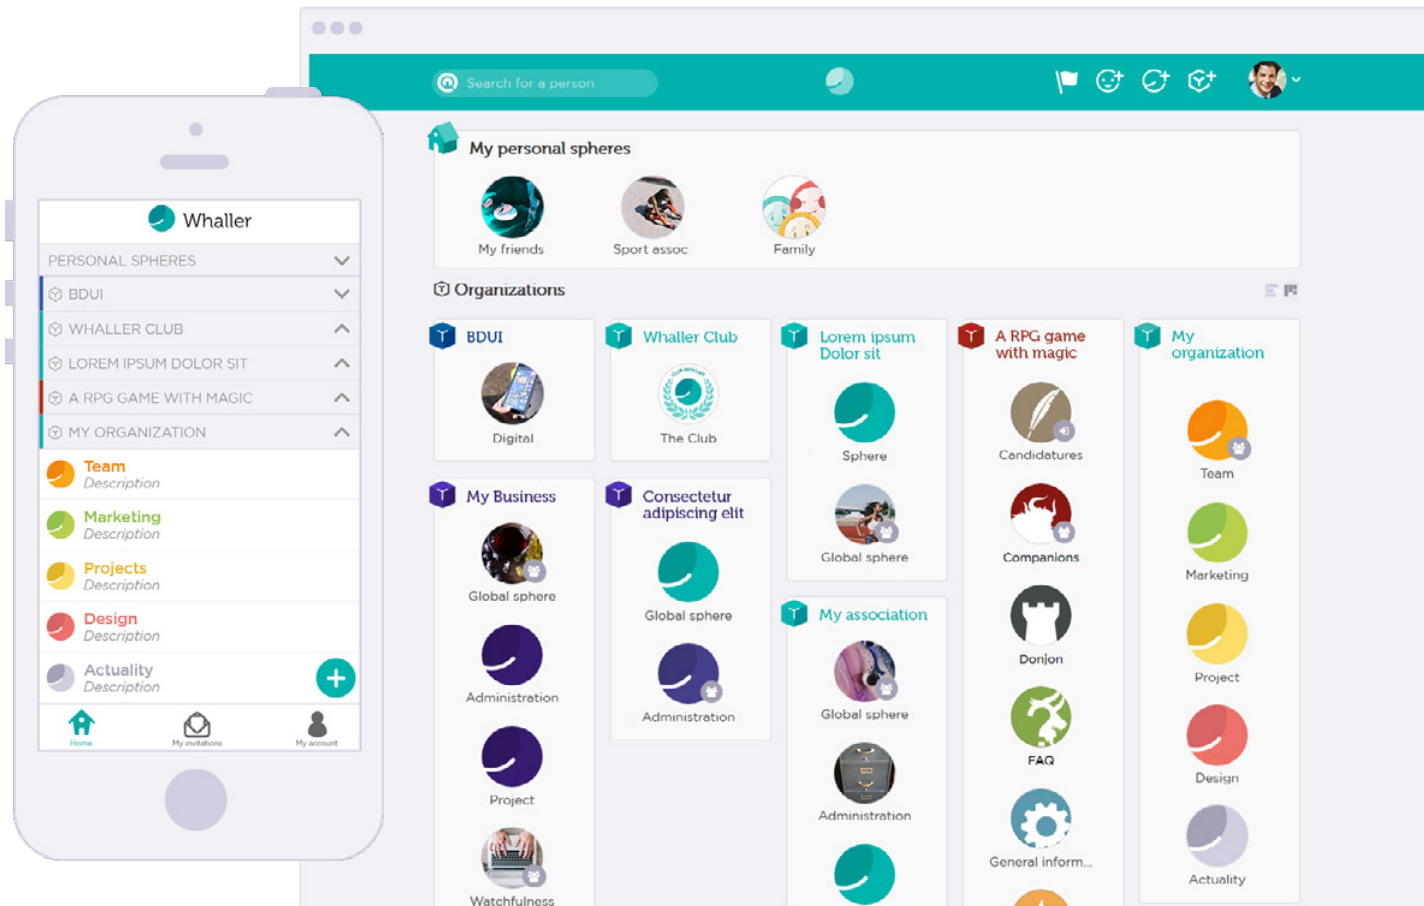

## ORGANIZATIONS

Organizations allow you to put spheres and members into groups. Use them to create a multi-sphere network for your business, school, association, club, etc....

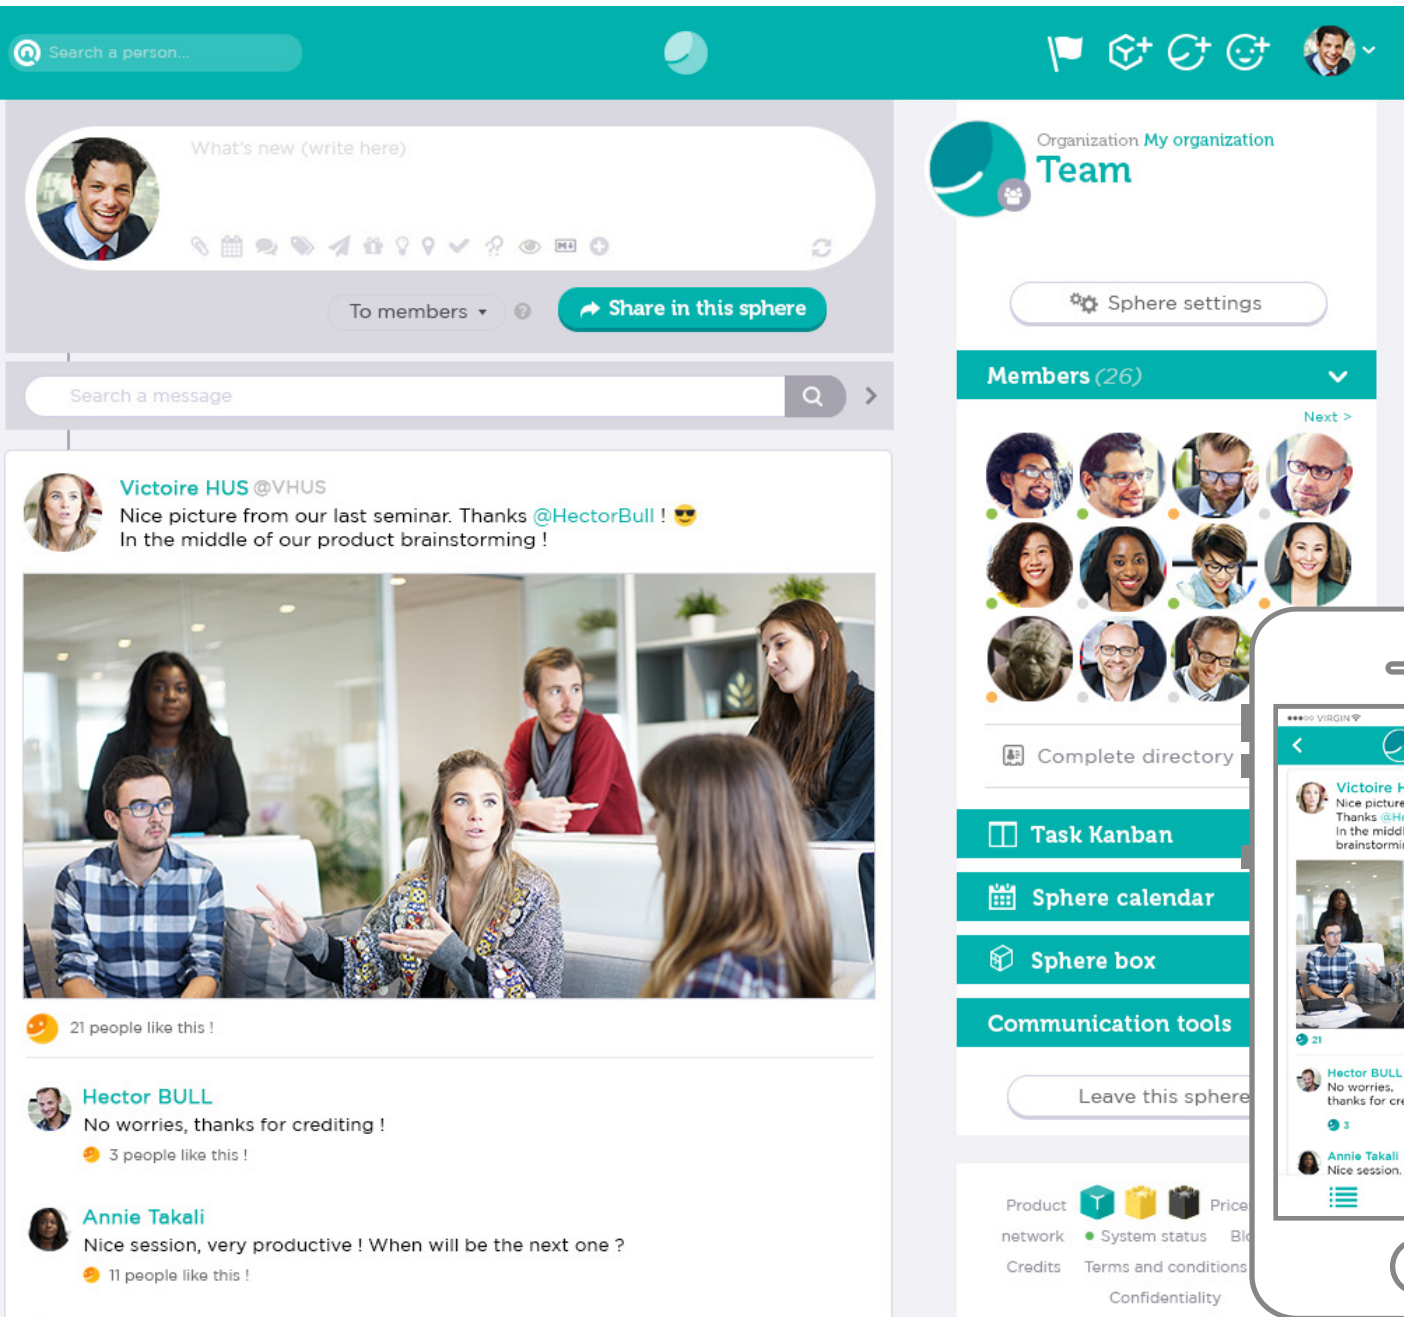

## ALL YOUR NETWORKS IN THE SAME PLACE!

Join or create as many separate or secure networks as you wish!

The screenshot displays the Whaller web interface. At the top, there's a teal header with a search bar, navigation icons, and a user profile. Below the header, a 'What's new (write here)' section is visible. A message from Victoire HUS (@VHUS) is shown, featuring a photo of a group of people in a meeting. Below the message, there are reactions and replies from other team members like Hector BULL and Annie Takali. On the right side, a sidebar shows the 'Team' organization, a 'Members (26)' directory, and a list of tools including Task Kanban, Sphere calendar, Sphere box, and Communication tools.

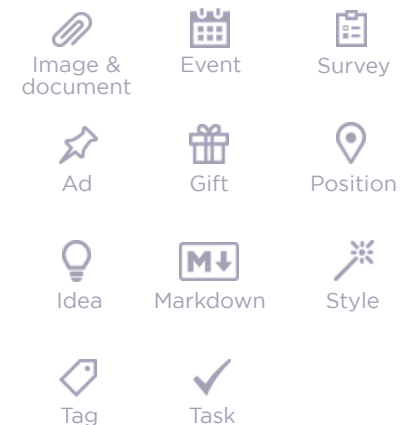

## SPHERES

Separate from each others, the spheres are the spaces to share and discuss.

Spheres allow users to post messages, images, documents, videos, or any other materials.

The right-hand column gives easy access to many tools:

- Members directory
- A videoconference's room and/or conference-call
- Task Kanban
- Sphere's Box (cf p.5)

## SURVEY

A tool designed to create unlimited and rich surveys.

A survey can contain MCQ, open questions and satisfaction scales.

The results are instantly shown as charts and can be exported to the CSV format.

## SPHERE'S BOX

A sphere has its documents deposit.

This «Box» allows to share documents with a hierarchy, available to all sphere members.

Each «Box» has an integrated search engine.

The Box has unlimited storage.

## SEARCH ENGINES

Whaller gives you 3 search engines:

- People search
- Messages search
- Documents search (inside the box)

## TASK KANBAN

### A dashboard for your sphere.

The Kanban will consolidate the tasks and ideations shared in a sphere.

You can view at a glance all tasks to do, late (in red) or finalised, as well as the assigned users.

Find and filter your tasks with the integrated search engine.

# Whaller Analytics

Supervise the activity of your networks.

Supervise the activity of your networks, with **statistics** on contributors and their participation in the spheres.

## EXTERNAL FLOWS' IMPORT

Connect your social media or RSS feeds to your Whaller Spheres.

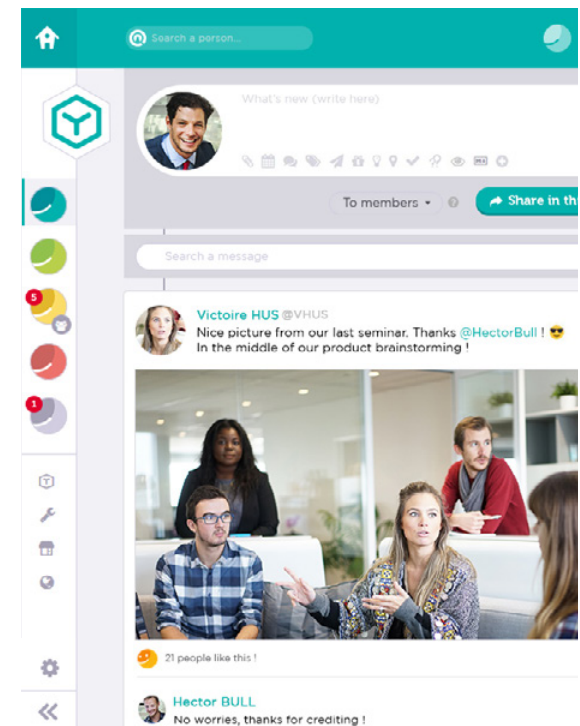

Thus, your co-workers will enjoy the best of the web.

The screenshot shows the Whaller application interface. On the left is a sidebar with navigation options: 'My spheres', 'Team', 'Marketing', 'Projects', 'Design', 'Actuality', 'Members' home page', 'Tools', 'Shop', and 'Website'. The main content area displays a message feed. The top of the main area has a search bar and a 'Share in this sphere' button. The message feed shows a post by Victoire HUS @VHUS with a photo of a group of people and a comment by Hector BULL. Below the message feed is a 'Leave this sphere' button and a list of links including 'Product network', 'System status', 'Blog', 'Press', 'Credits', 'Terms and conditions', 'Twitter', and 'Confidentiality'.

## SIDEBAR

Navigate easily from sphere to sphere, from the portal to spheres using the sidebar always displayed on the left side of your screen.

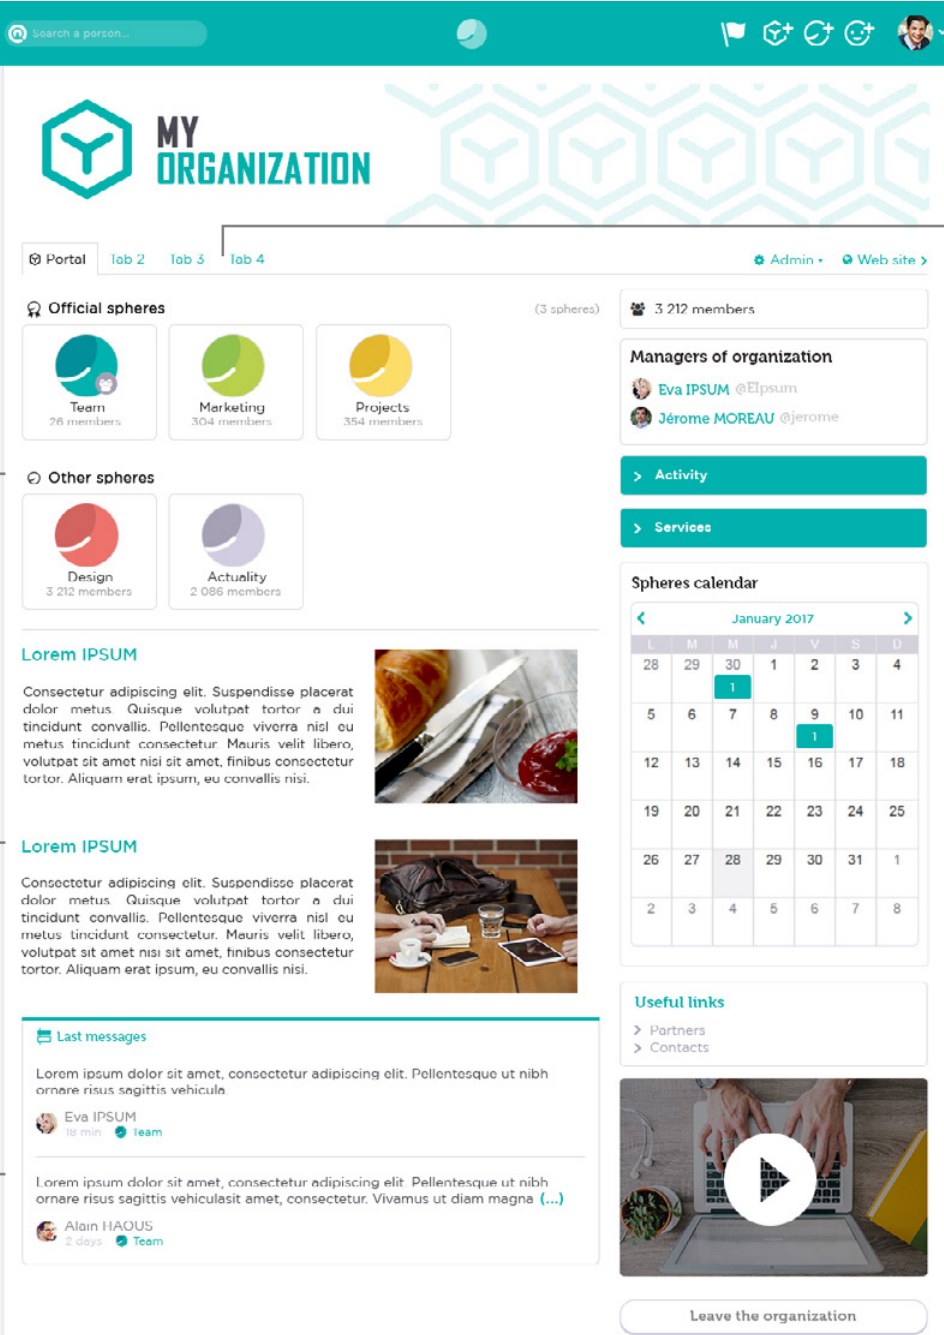

This screenshot shows a zoomed-in view of the Whaller application interface, focusing on the sidebar and the main content area. The sidebar on the left contains navigation icons for 'My spheres', 'Team', 'Marketing', 'Projects', 'Design', 'Actuality', 'Members' home page', 'Tools', 'Shop', and 'Website'. The main content area displays a message feed with a post by Victoire HUS @VHUS and a comment by Hector BULL. The interface is clean and modern, with a teal header and a white background.

# PORTAL AND INTRANET

The portal shared by all organization members gives access to the platform spheres as well as the Intranet's tools and articles.

With the premium offer, more than giving access to the spheres, the portal is becoming a truly customizable Intranet.

- The CMS (Content Management System) will help you creating articles for all members.
- Widgets: Customizable cards that can be added in spheres or portal at different places.
